

## *Case Western Reserve Tinkham Veale University Center*

---

**Project Type:**

Transition and Move Management

**Duration:**

April 2014 – June 2014

**Location:**

Cleveland, OH

**Owner's Representative:**

Project Management Consultants

**Project Size:**

- \$50 Million
- 82,000 square feet
- 6 departments
- 150 student organizations
- 7,000 square foot ballroom
- 750-person lecture center
- 450-person dining center

**Project Description:** RSI planned and managed the relocation of 6 departments and various student organizations from multiple locations on campus into the new Tinkham Veale University Center in July 2014. The new structure is located southeast of the Peter B. Lewis Building and has been granted the LEED Silver certification.

**Scope and Services:** RSI provided Transition Planning and Move Management including:

- Development of Move Schedule
- Conduction of end user planning meetings
- Leading of Clean Out Campaign
- Storage assessment
- Space planning of existing Furniture Fixtures & Equipment (FF&E)
- Onsite supervision and coordination
- Short term storage set up

RSI completed the Transition Plan and Move Schedule and managed the implementation of each phase of the project.
